Grant for Education 1909

Honored-Sir,

We, the residents of the City of Bangalore hereby beg to bring the following to your Kind and benevolent Consideration

Till now the Mysore Govt was carrying the Education imparted at moderate rates of School fees, thus making rich & poor equally educated. Since 1st January 1904 the Govt have raised the School fees & we therefore beg to bring to your notice that for the last five years we being trodden down by plague have left our houses and thus wandering every year. This has disabled us not only to look to our

our affairs but also has rendered the education of Children If School fees be there raised, we are at a loss to see how to educate our Children as the rates that are now fixed are very high

In conclusion we pray that Our prayer may be graciously Considered and the fees, as formerly stood, be continued

For which act of Kindness, we shall ever feel grateful,

We beg to remain,

Sir,
